# STOP THE INVASION

## WEED MANAGEMENT 101

This **FREE** class will teach you everything you need to know to **identify, report,** and **control** many of our most common invasive weeds. We will also be sharing alerts about some of the most the damaging invasive species threatening the Columbia River Gorge. So join in the fight to protect the Columbia River Gorge from invasive species!

**May 6, 2017**

**8:00am – 12:00pm**

**Marine Park Pavilion**

**Columbia River Gorge National Scenic Area  
395 SW Portage Rd. Cascade Locks, OR 97014**

Seating is limited; reserve your FREE ticket today at

<https://stop-the-invasion.eventbrite.com>

The **Columbia Gorge Cooperative Weed Management Area, Washington Invasive Species Council, Washington State University Extension,** and the **Oregon Invasive Species Council** are pleased to announce this fantastic opportunity for everyone including home gardeners, landscapers, and land managers to learn about the invasive species threatening the scenic Columbia River Gorge!

**We have applied for 3 herbicide applicator CEU's from both Oregon and Washington**  
For more information, contact the CWMA Coordinator at (503)210-6015
